

## NILD Educational Therapy: Level II 2024

### **Mission Statement:**

To develop and implement instructional strategies for training educators to cognitively modify students to become more effective learners.

### **COURSE DESCRIPTION**

This course serves to further develop educational therapists' training in accordance with the National Institute for Learning Development (NILD) intervention model. This course addresses the development of oral language through the processes of mediation and effective questioning in order to promote higher order thinking skills. The candidates will receive additional instruction in interpretation of initial assessment and annual test reporting, a review of Level I techniques, and instruction in Level II techniques. This course will foster additional skills in the ability to identify cognitive functions. This course combines four weeks of online course work with five days of live, face to face instruction.

### **LEARNING OBJECTIVES**

This course will build upon prior knowledge and equip the educational therapist to more effectively implement NILD techniques. Specifically, upon successful completion of this course, the educational therapist will be able to:

1. To review the 5 core techniques and demonstrate technique proficiency.
2. To learn new Level II techniques
3. To establish ethical standards and codes of conduct into the practice of NILD Educational Therapy
4. To expand understanding of LD characteristics
5. To expand understanding of testing – WISC interpretation, Initial/Annual testing
6. To expand understanding of the use of language development and critical thinking in developing skills of reading, maths, and spelling
7. To increase understanding of the importance of ongoing liaison with classroom teachers, parents and NILD
8. To begin to develop the skills of questioning, pacing, transitions and bridging to life
9. To begin to implement the principles of mediated learning into the NILD Educational Therapy session

### **PREREQUISITE**

1. *EDLD 515* (Level I). NILD Educational therapist interns must have experience with one student for one full academic year prior to enrolling in the Level II course (or 60-80 hours) and must hold current membership.
2. Participants must record a 30–40-minute video session with an actual NILD student demonstrating their implementation of only the five core techniques. If you did not participate in Level I job embedded coaching in the previous school year, please submit a 30-minute video demonstrating your competency in email: [admin@nildsa.co.za](mailto:admin@nildsa.co.za)

the five core techniques. Please video this mini session with one of your current or past students. Videos can be sent to [admin@nildsa.co.za](mailto:admin@nildsa.co.za).

- 3. An on-site observation is required if Level 1 was taken before June/July 2019.** Please contact Shireen Archibald should you require more information in this regard.

## **COURSE REQUIREMENTS**

### **COURSE LEARNING OUTCOMES**

This course will build upon prior knowledge and equip the educational therapist to more effectively implement NILD techniques. Specifically, upon successful completion of this course, the educational therapist will be able to:

1. Explain the impact of student learning based on the five core NILD techniques.
2. Demonstrate proficiency in the initial level of techniques for specific student intervention.
3. Use Level II techniques to impact processing deficits more effectively.
4. Apply ethical standards and codes of conduct in the practice of NILD Educational Therapy™.
5. Describe the characteristics of a learning disability.
6. Determine patterns of cognitive/academic strengths and weakness through data analysis from formal assessments.
7. Implement language development and critical thinking in developing skills of reading, math, and spelling.
8. Explain the reciprocal relationship among educational therapists, classroom teachers, parents, and NILD.
9. Outline how questioning, pacing, transitions, and bridging to life impacts students.
10. Demonstrate mediated learning, in conjunction with NILD Educational Therapy, to ameliorate processing deficits.

### **PROGRAMME GOALS**

This course contributes to the fulfilment of the following program goals:

1. Review the five core techniques and demonstrate technique proficiency.
2. Learn 6 new techniques.
3. Establish ethical standards and codes of conduct into the practice of NILD Educational therapy™.
4. Expand understanding of LD characteristics.
5. Expand understanding of testing:
  - a. WISC-V Interpretation
  - b. Initial/Annual Testing
6. Expand understanding of the use of language development and critical thinking in developing skills of reading, math, and spelling.
7. Increase understanding of the importance of ongoing liaison with classroom teachers, parents, and NILD.
8. Begin to develop the skills of questioning, pacing, transitions, and bridging to life.
9. Begin to implement the principles of mediated learning into the NILD Educational Therapy™ session.

## Course Procedures

- ✓ *Attendance and Participation* – Full participation in all activities and assignments is expected including attendance at all residency week classes. Prior to beginning the course, observe a live or recorded NILD Educational Therapy™ session.
- ✓ Order course materials (see below) in advance of the online course. The online coursework is four weeks prior to residency.
  - Select a student with whom to practice techniques as they are learned.
  - Have a chalkboard available for practice sessions (can be portable or tripod).
  - Practice techniques and complete reading assignments assigned.
  - Complete reaction papers that require a personal response to the information read.
  - Contribute to online discussions weekly.
- ✓ Residency (classroom) coursework (Monday - Thursday, 8:00am - 5pm; Friday 8am-3pm)
  - Work with a partner practicing and refining NILD Educational Therapy techniques.
  - Complete evening assignments.
  - Complete the final course assignment.

*Assignments:* Pay close and timely attention to reading assignments and other assigned work posted in the syllabus and on Google Classroom. You are responsible for preparing assigned readings carefully by the date listed on the Assignment Schedule (see link on Blackbaud) and to complete tests, projects, and other assignments by midnight on the day designated by your instructor for online session and by the day listed for the residency week. Out of fairness to all, late assignments are penalized as described below under “**Late Assignments.**”

*Course Completion/Incompletes:* All courses require extensive engagement (with other students, the instructor, and with the course materials) as well as timely completion of assignments. Assignments are due weekly for online portion and daily for residency portion. Thus, keeping up with the schedule is essential to your success. Some work is difficult or even impossible to make up (such as discussion with others), so you must plan your schedule carefully. Be sure you can complete this course in the scheduled period. Grades of “Incomplete” will be granted only for true emergency situations, not for poor planning.

*Google Classroom:* Students are expected to check the Google Classroom each week beginning one week before the start of the course. Students must keep their email address current with NILD; they are expected to check their email daily to ensure timely receipt of messages from the instructor.

*NILD Membership* – your NILD membership must be renewed annually.

During the 4-week online portion of the course, participants will be required to:

- ✓ Watch video vignettes online
- ✓ Follow lectures (in PowerPoint format) online

email: [admin@nildsa.co.za](mailto:admin@nildsa.co.za)

- ✓ Read sections of the course manual
- ✓ Submit papers
